

Ampula Bonpet je bila nameščena na stropu in zaščitila razširitev požara v druge prostore.

Podstrešje, kjer je izbruhnil požar v ZZZV Maribor

Pogorišče brez zaščitne ampule Bonpet

Company: Health care institute in Maribor

Building: Building on Prvomajska ulica 1, Maribor

REFERENCE ABOUT SUCCESSFUL ACTIVATION OF AMPOULE BONPET

Event: the fire in mansard- S tract, on 13.03.2005

Description of the operation:

Ampoule Bonpet, that was installed in the place with electric armoire, successfully put out the fire in this place and made spreading the fire into east wing, bigger material damage and more extensive fire impossible.
